North Atlantic to Pacific (Level 4)

12. What animal is often confused with a penguin? (Hint: It's the Aquarium's mascot.) **Atlantic Puffin**

Amazon River Forest (Level 4)

13. The Amazon River is: (Check all that apply.)
 Fresh water Home to more species than the entire Atlantic Ocean Found in South America

Upland Tropical Rain Forest (Level 5)

14. Use your sense of hearing, touch and smell:

a. What sounds do you hear? **Answers vary**

b. How does it feel in this exhibit? (Check one.)

Cold and dry Warm and damp Cold and damp Warm and dry

c. Sniff! Smell the air. Describe what you smell. **Plants, flowers, soil, water/mist**
Answers vary (for example, screaming piha, blue-crowned motmot,

15. Name your favorite bird. **yellow headed Amazon parrot, scarlet ibis, sun bittern)**

Atlantic Coral Reef (Level 4 winding down to Level 1)

16. What is it called when a group of fish swims together? **School** Why do they do this? **Protection**

17. Fish have a variety of body shapes. Circle the body shape when you see a fish with these shapes:

Shark Alley: Atlantic Predators (Level 1 to the Ground Level)

18. Name the three different kinds of sharks found in this exhibit.

a. **Nurse** b. **Sand tiger** c. **Sandbar**

19. What is the endangered species in the Shark Alley: Atlantic Predators exhibit? (Hint: Use the touchscreens.) **Freshwater Sawfish**

Dolphin Discovery

20. How many dolphins do you see from the window in the underwater viewing area? **Number will vary**

21. Check the behaviors you saw while watching the dolphins.

Swimming Breathing Playing with toys

22. Thank you for visiting the National Aquarium! We hope you enjoyed your visit! Now that you've learned about our oceans, environment and animals, what are some actions you can do to help protect them? (Check all that you can do!)

Recycle Pick up trash Plant trees Conserve water Print on both sides of paper Don't pollute

Do you have any other ideas?

5 EXPECTATIONS FOR ALL CHAPERONES

Welcome to the National Aquarium! As a chaperone, you have a very important job. If you follow these tips, your trip will be safe, educational and fun!

1. **Keep your group together.** Chaperones are required to stay with their students at all times! Students must enter Dolphin Discovery and 4-D Theater with a chaperone.
2. **Food, drinks, gum and smoking are not permitted in the Aquarium.**
3. **If you must leave the Aquarium, get your hand stamped for re-entry** at the exit door. Students do not need their hands stamped, only chaperones.
4. **Use caution.** Please limit or eliminate the use of cell phones. Please exercise caution on the escalators.
5. **Be respectful.** Please do not tap or bang on the exhibit windows, as it can disturb the animals. Please be courteous around other Aquarium visitors.

Thank you for complying with these expectations.

We hope you and your group have a fun and educational field trip! Due to the large number of students touring our facility, we regret that we cannot check coats, book bags or other storage containers.
