Enjoy Exclusive Benefits

SINGLE-USE TICKETS

can be given to anyone you choose, allowing them immediate entry to the Aquarium through the member entrance. These tickets are good for the duration of your annual membership. Corporate members may also purchase additional single-use tickets in bulk at a 20% discount.

MULTIPLE-USE TRANSFERABLE PASSES

are a convenient, flexible resource that allow optimal access to the Aquarium for you, your clients, customers and employees. These credit-card-style passes may be used once a day, every day, for the duration of your membership.

TREAT YOURSELF AND UP TO 1,000 OF YOUR CLOSEST FRIENDS

to an exclusive, private, self-guided evening tour of the Aquarium. It will be a night to remember, with opportunities to explore everything the Aquarium offers, minus the daytime crowds. Should you elect not to use this opportunity yourself, you may donate the tour to an organization of your choosing.

MAKE YOUR NEXT CORPORATE EVENT A DESTINATION

and use your credit toward renting space for a private corporate event held against the stunning backdrop of Baltimore's Inner Harbor and the Aquarium's award-winning exhibits. With several picturesque and versatile spaces available, an event at the Aquarium is always an unforgettable experience.

Exclusions apply; please contact your corporate membership representative for details about using this benefit.

With every drop you drink,
every breath you take,
you're connected to the sea.
