5 EXPECTATIONS FOR ALL CHAPERONES

Welcome to the National Aquarium! As a chaperone, you have a very important job. If you follow the tips below, your trip will be safe, educational and fun!

1. **Keep your group together.** Chaperones are required to stay with their students at all times! Students must enter the Dolphin Show or 4D Film with a chaperone at the designated time of the show.
2. **The following are not permitted in the Aquarium – food, drinks, gum and smoking.**
3. **If you must leave the Aquarium, get your hand stamped for re-entry** at the exit door in Pier 3 or the exit door in Pier 4. Students do not need their hands stamped, only chaperones.
4. **Safety** – Please limit or eliminate the use of cell phones. Please exercise caution on the escalators.
5. **Be respectful.** Please do not tap or bang on the exhibit windows, as it can disturb the animals. Please be courteous around other Aquarium visitors.

Thank you for complying with these expectations.

We hope you and your group have a fun and educational field trip! Due to the large number of students touring our facility and a lack of space, we regret that we cannot check coats, book bags or other storage containers.
