- Recycle Pick up trash Plant trees Conserve water Print on both sides of paper Don't pollute

Do you have any other ideas?

5 EXPECTATIONS FOR ALL CHAPERONES

Welcome to the National Aquarium! As a chaperone, you have a very important job. If you follow these tips, your trip will be safe, educational and fun!

- 1. Keep your group together.** Chaperones are required to stay with their students at all times! Students must enter *Dolphin Discovery* and *4-D Theater* with a chaperone.
- 2. Food, drinks, gum and smoking are not permitted in the Aquarium.**
- 3. If you must leave the Aquarium, get your hand stamped for re-entry** at the exit door. Students do not need their hands stamped, only chaperones.
- 4. Use caution.** Please limit or eliminate the use of cell phones. Please exercise caution on the escalators.
- 5. Be respectful.** Please do not tap or bang on the exhibit windows, as it can disturb the animals. Please be courteous around other Aquarium visitors.

Thank you for complying with these expectations.

We hope you and your group have a fun and educational field trip! Due to the large number of students touring our facility, we regret that we cannot check coats, book bags or other storage containers.
