AQUARIUM®

Accessibility Guide

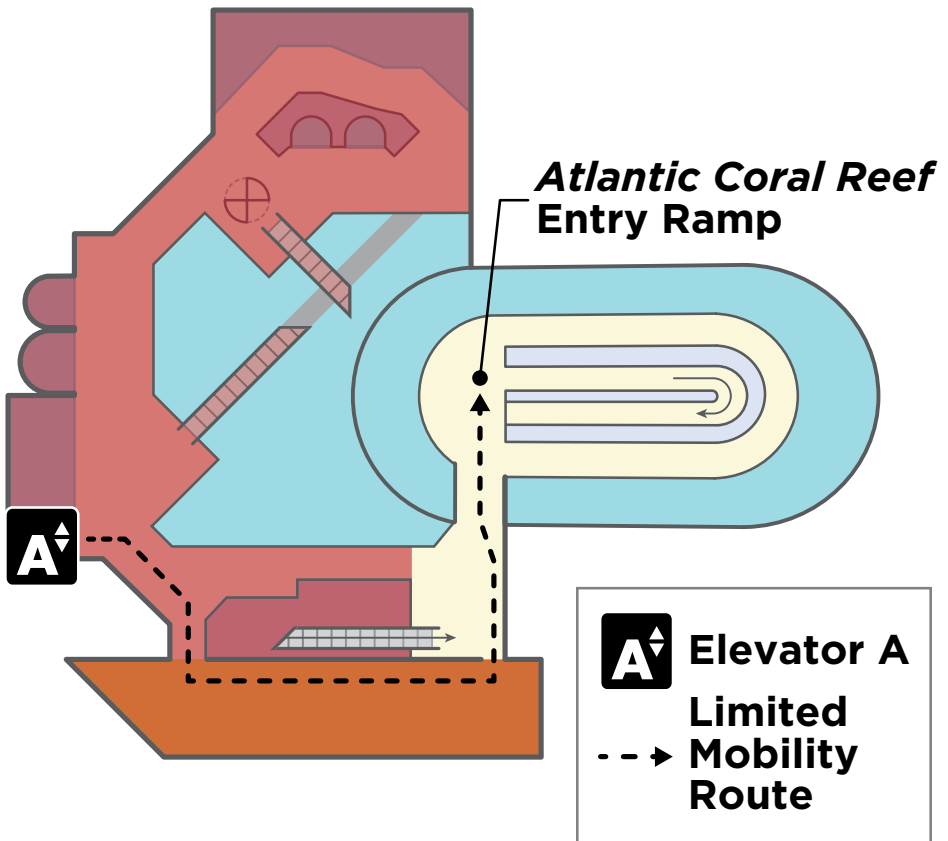

First Saturdays and Sundays

For a more leisurely, crowd-free experience, visitors with disabilities and their guests may enter 30 minutes prior to general entry time on the first Saturday and Sunday of each month.

Blue Wonders Level 4

Level 4 is closed with limited access for guests to transit through. For guests with accessibility / mobility needs, the entry to *Atlantic Coral Reef* is accessible only with a staff escort and use of personal protective equipment (provided by the Aquarium).

Guests using **Elevator A** to continue from the *Upland Tropical Rain Forest* should take it to **Level 1**. Staff will be located at the **Level 1 Information Desk** (Page 13) to outfit guests with hard hats and vests and escort them through the Level 4 construction zone.

While enjoying the *Atlantic Coral Reef* and *Shark Alley* exhibits, be cautious on the sloping ramps. There is a level landing at the end of each ramp. These ramps take you to Level M to continue your journey.

Welcome!

Journey from the depths of the ocean to the heights of the rain forest. With thousands of animals in award-winning habitats, there's so much to see and do! Let's get started!

Our **accessible entrance** is located at the Member Entrance in the Glass Pavilion.

Elevators displaying these signs have been designated for your use while touring the Aquarium.

Hand stamps for same-day re-entry into the Aquarium are available at the **exit**. Speak with staff at the exit to confirm the day's last entry time.

Glass Pavilion

Houses *Australia: Wild Extremes*, the National Aquarium Gift Shop and Pier 3 Cafe.

-  **Entrance:** The Main Entrance to the Aquarium is on the ground floor of the Glass Pavilion. Wheelchairs are available for loan at the stroller check in exchange for a license or other form of photo identification.
-  **Elevator:** The elevator is located across from the main ground floor entrance. It provides access to all three levels of this building, up to *Australia: Wild Extremes*. Guests can reach all other accessible elevators from Level 1.
-  **Exit:** Take the elevator to the ground floor. Exit through the far doors near the guest services area.

Blue Wonders: Reefs to Rainforests

Houses seven major exhibit areas on five levels; connected to Pier 4 by an indoor bridge on Level 1.

-  **Entrance:** *Blue Wonders* is accessible from Level 1 of the Glass Pavilion.
-  **Elevators:** Two elevators, marked A and B, are available. Note that only Elevator A goes to Level 5, the *Upland Tropical Rain Forest* and *Hidden Life* exhibits. Elevator B goes no higher than Level 4.
-  **Exit:** On Level 1, go toward the National Aquarium Gift Shop in the Glass Pavilion. Take the elevator to the ground floor. Exit through the far doors near the guest services area.

Pier 4

Houses *Dolphin Discovery*; *Jellies Invasion: Oceans Out of Balance*; and Pier 4 Canteen.

Entrance: Pier 4 is accessible from Level 1 of *Blue Wonders*. An indoor bridge connects *Blue Wonders* to Pier 4.

Elevator: The elevator is located on Level 1 to the left after crossing the bridge, opposite the women's restroom. It provides access to the ground floor, Level 1 and the upper level of *Dolphin Discovery's* amphitheater, where accessible seating is located.

Exit: Return to *Blue Wonders* via the bridge to complete your tour or return borrowed wheelchairs in the Glass Pavilion.

Wheelchair and Stroller Route

The Aquarium has an accessible route for guests using wheelchairs and strollers. Using the maps in this guide, you will avoid escalators and moving ramps that cannot accommodate wheelchairs or strollers.

Complimentary wheelchairs may be obtained with photo identification at the stroller check on the ground floor of the Glass Pavilion. Wheelchairs are available in limited numbers on a first-come, first-served basis for use inside the Aquarium.

Strollers for children and parents with disabilities are the only strollers permitted in the buildings. An Aquarium tag needs to be displayed while touring and can be obtained at the stroller check area.

Guests Who Are Blind or Low Vision

- Receivers and earpieces that enable guests to hear the audio described tour—which highlights the Aquarium’s exhibits and provides basic directional information—may be borrowed from the stroller check on the ground floor of the Glass Pavilion. An exchange of a photo identification is required.
- A “touch bag” of tactile items is available at the stroller check on the Glass Pavilion’s ground floor.
- Similar to the audio described tour, a Braille guidebook is available at the information desk for additional or alternative reference.

Service Animals

Service animals are allowed in all public areas of the Aquarium. Service animals may be prohibited in behind-the-scenes locations visited during specific add-on experiences. Please contact the Tours & Experiences team at 410-576-8822 for more information.

Guests Who Are Deaf or Hard of Hearing (HOH)

- Scripts for public presentations are available at the information desk on Level 1.

- If you have T-switch capabilities, an assistive listening system is available in specially marked seating in *Dolphin Discovery*. Hearing aids not equipped with a T-switch may obtain a receiver from staff inside the exhibit.

- The 4D Immersion Theater is equipped with closed-captioning and assistive-listening systems.

CC units and ALS headsets are available from theater attendants before entering the theater.

- An interpreter accompanying a guest who is deaf or hard of hearing is admitted to the Aquarium for free.

- Captioning is available on all narrated videos.

- Sign language interpreters are scheduled on two weekend days a year to interpret public presentations.

To request interpretation, please:

- Contact the accessibility liaison at 410-576-8745.
- Leave a message on our TTY: 410-727-3022.
- Visit [aqua.org/accessibility](https://www.aqua.org/accessibility).

Guests on the Autism Spectrum

- The Guest Relations Room next to the information desk on Level 1 of *Blue Wonders* is a calm, quiet space available for any guest who needs a private moment away from the crowds.

- Hand stamps are available at exit doors if you need to leave the building for a break and re-enter later in the day.

- Temperature, lighting and noise levels fluctuate from gallery to gallery—specifically in *Upland Tropical Rain Forest*, *Australia: Wild Extremes* and the 4D Immersion Theater. Staff can answer specific questions about stimulating elements in these environments.

- Virtual Reality (VR) experiences are immersive and include visual, auditory and haptic components that some may find overstimulating.

KultureCity

The National Aquarium has been designated a certified Sensory Inclusive organization through KultureCity. This program is designed to provide the best guest experience for those with sensory needs, and includes a combination of staff training, sensory bags and special signage.

Guest Relations Room

A private space is available for all guests who need a quiet moment away from the crowds. The Guest Relations Room is located on Level 1 of *Blue Wonders*.

Emergency Assistance

The Aquarium's security staff is trained to assist you in the event of an emergency. In case of fire or other emergency, move toward the lit exit signs, where security staff will help you to safety.

Accessibility Liaison

The Aquarium employs an accessibility liaison to answer any questions you may have about accessibility at the Aquarium or to schedule individual tours. Interpreters, readers and guides are available on a limited basis through prior arrangement of at least two weeks. The accessibility liaison may be contacted at 410-576-8745 or by TTY at 410-727-3022.

For more information, visit aqua.org/accessibility.

Groups

Groups of 15 or more may obtain a reduced admission rate by contacting Central Reservations at 410-576-3833 at least three weeks in advance of the proposed visit. Groups should request special arrangements at the time of booking. We provide free admission to licensed caregivers for qualified groups.
