DAY ONE

Start your day in Baltimore at the B&O Railroad Museum with a guided tour to learn about the birthplace of American railroading! Gain insider’s knowledge about the locomotives of the Civil War and the innovations and technology that continue to improve trains’ efficiency. Or, explore on your own through seven buildings and train platforms that allow you to see, touch and hear the most important American railroad collection in the world!

Then head over for lunch at Phillips Seafood. During the spring and summer, you can sit outside on a dock on the Phillips Crab Deck! If you’ve come to the deck to feast on steaming hot, hard-shell crabs, Phillips has you covered with the best catch from its community of watermen. Indoor seating with a full menu is also available year-round!

After lunch, head back to the hotel to relax before your evening at Toby’s Dinner Theatre. Located in the heart of nearby Columbia, Toby’s offers both award-winning Broadway and original musicals with no seat more than 3 feet from the stage! Enjoy a 25-item salad bar, carving station, a plentiful buffet selection that is uniquely chosen by the chef for each show and desserts—including a make-your-own ice cream sundae bar. With over 90 Helen Hayes nominations, it’s no wonder why people rave about Toby’s!

**DAY TWO**

Spend your morning at the National Aquarium, located in the heart of the Inner Harbor and home to more than 20,000 animals! Through the Aquarium’s Dine and Discover program, you can enjoy a gourmet box lunch in the Aquarium’s Harbor View Room while gaining knowledge of our fascinating animals with a presentation from one of our animal experts. Then travel to an Australian river gorge, descend through an Atlantic coral reef, explore a tropical rain forest and discover dolphins and sharks!

After your Aquarium visit, travel around the harbor by water taxi or motorcoach to the American Visionary Art Museum (AVAM)—a perfect destination with a variety of exhibitions and educational offerings that will make your visit an unforgettable experience! There are more than forty major visionary art environments open to the public around the world, but AVAM is the largest. Explore the museum’s permanent collection of more than 4,000 visionary works from all around the world and check out the eclectic gift shop for a fun souvenir!

Walk across the street from AVAM for an early dinner at Rusty Scupper, which rises three levels above the water and showcases a beautiful view from every table! The menu is a seafood lover’s dream that accommodates all tastes.

Rest up at the hotel before heading out for a City Lights Cruise with Watermark! Watch the sunset and enjoy the city at twilight from the water. See the spectacular lights of the skyline and Baltimore attractions—such as the iconic Domino Sugar sign—reflecting off the water as you cruise the harbor on your final night in Baltimore!

**DAY THREE**

Check out of the hotel after breakfast and head for home, or continue your adventure in Washington, D.C., Annapolis or one of the many other destinations that are just a short distance from Baltimore!
