

Our World is
Your Oyster

Experience the National Aquarium as Few Ever Will
with a Customized After-Hours ***Sealuxe Experience***

Sleek blacktip sharks; graceful whiptail rays; the tropical hues of an Indo-Pacific reef—after hours, the tranquil beauty of the National Aquarium is an otherworldly experience. ***Make it your own with our intimate and exclusive National Aquarium Sealuxe Experience.***

For three hours, the National Aquarium will exist just for you. Your private event centers around a sumptuous bespoke dining experience featuring up to five seasonal, sustainable courses with optional wine and cocktail pairings served against the cool blue glow of our Blacktip Reef underwater viewing area. Let our discreet and knowledgeable host attend to every detail while you tour, explore and enjoy.

Beginning at \$5,000, your private evening kicks off with VIP front door parking as the glittering lights of Baltimore's Inner Harbor guide you. Upon entrance, you'll be greeted with a champagne toast or custom cocktail as you embark on a one-of-a-kind tour of our Pier 3 habitat spaces. Available upgrades from photographers to flowers and musicians make this a perfect opportunity to impress, beguile or *propose* a beautiful future.

Plus, when you make the National Aquarium your own for the evening, you are supporting our mission to connect people with nature to inspire compassion and care for our ocean planet—a meaningful way to make your evening last forever.

Ready to dive in?

Contact our team at party@aquarium.org with as little as two weeks-notice, or up to two months prior to your desired date and customize your experience.
