Get Involved

Let's take this outside. Join the National Aquarium as we remove plastic pollution from habitats, plant wetland grasses and native gardens, document local wildlife and more. Volunteer for an upcoming field conservation event at aqua.org/get-involved.

Tour and Explore

Visit behind-the-scenes areas, come face to face with animals and experience the National Aquarium like never before with one of our tours! Visit the information desk across from the 4D Immersion Theater to learn more.

Stay Connected

Follow us on Facebook, Twitter and Instagram to stay updated on the latest from the National Aquarium!

There are dozens of talks, animal feedings and encounters happening each day. Check out the digital monitors in Harbor Overlook and Pier 4.

4D FILM

With screenings throughout the day, a 4D film is a great addition to your visit. Choose from two films, both sure to delight with sights, sounds and special effects.

UPLAND TROPICAL RAIN FOREST

Animals aren't the only thing to see here. You can also find real cacao and banana trees growing in this tropical retreat. As you journey through the Aquarium, slow down to spot these hidden treasures:

MAKE THE MOST OF YOUR VISIT!

AUSTRALIA: WILD EXTREMES

Explore the largest array of Northern Territory wildlife outside of Australia, and don't miss the unique, sharpshooting archerfish before you go!

Journey from the depths of the ocean to the heights of the rain forest.

Encounter Australian crocodiles, marvel at brightly colored tropical fish and come nose-to-nose with sharks of every size.

Feel the gentle pulse of a moon jelly or the silky-smooth wing of a graceful skate. Or, look high in the rain forest trees for beautiful birds and slow-moving sloths.

With thousands of animals in award-winning habitats, there's so much to see and do! Let's get started!
