Stay Connected

**1 AUSTRALIA: WILD EXTREMES**

Explore the largest array of Northern Territory wildlife outside of Australia, and don't miss the unique, sharpshooting archerfish before you go!

**2 4D FILM**

With screenings throughout the day, a 4D film is a great addition to your visit. Choose from two films, both sure to delight with sights, sounds and special effects.

**3 LIVING SEASHORE**

Experience life beneath the surface of mid-Atlantic waters with jellies, stingrays and horseshoe crabs in two engaging touchpools.

**4 UPPLAND TROPICAL RAIN FOREST**

Animals aren't the only thing to see here. You can also find real cacao and banana trees growing in this tropical retreat.

**5 BLACKTIP REEF**

With wide, flat bodies and fringed mouths, wobbegongs are proof that sharks come in every shape and size. See if you spot them to the left in the underwater viewing area.

## MAKE THE MOST OF YOUR VISIT!

As you journey through the Aquarium, slow down to spot these hidden treasures:

There are dozens of talks, animal feedings and encounters happening each day. Check out the digital monitors in Harbor Overlook and Pier 4.

Tour and Explore  
Visit behind-the-scenes areas, come face to face with animals and experience the National Aquarium like never before with one of our tours! Visit the information desk across from the 4D Immersion Theater to learn more.

## Journey from the depths of the ocean to the heights of the rain forest.

Encounter Australian crocodiles, marvel at brightly colored tropical fish and come nose-to-nose with sharks of every size.

Feel the gentle pulse of a moon jelly or the silky-smooth wing of a graceful skate. Or, look high in the rain forest trees for beautiful birds and slow-moving sloths.

With thousands of animals in award-winning habitats, there's so much to see and do! Let's get started!

## VISITOR GUIDE

The National Aquarium is a nonprofit organization whose mission is to inspire conservation of the world's aquatic treasures.
